Student's Uniform

General Policy:

The student's uniform (From 1st through 8th grades) is a very essential part of the school's moral fiber. It gives this religious and academic institution a genuine reflection of its mission. Also it has a great impact on the general public's perception towards us as Muslim educators primarily charged with meeting the objectives of educating and disciplining Muslim children. Therefore, we request the parents to assist us in preserving this regulation
